Portfolio, Cafe Chair

The Portfolio Workplace/Cafe Chair is defined by clarity of structure and proportion made from solid ash timber finished in a white oil stain. The upholstered seat adds comfort, and a subtle 65 mm rail reinforces the frame, while tapered legs—measuring 40 mm to 25 mm—introduce a controlled sense of movement and precision. Integrated glides ensure stability and protect floor surfaces. A chair designed for longevity, comfort, and everyday use. The upholstery is available in various fabric colours.
